

An illustration of a diver with spiky orange hair and green goggles, wearing a dark blue wetsuit. A thought bubble is shown above the diver's head, containing the main text of the advertisement. The background is a light blue underwater scene with mountains, coral, and fish.

DON'T HOLD YOUR BREATH !

You might be waiting forever for PowerApps to support these legacy features of InfoPath:

- Print-ready forms
- Rich XML files
- Complex HTML and Javascript forms
- Anonymous external user access
- Simple client form editing tool
- Offline client filler

Stop holding your breath! Join the webinar on August 27th and read the blog at Collabshow.com

“PowerApps doesn’t seek feature parity with InfoPath” -Microsoft, Ignite 2016
